CDM Theme: Living in Hope  
Living out the Word in Community

July 2021

## **Message from Fr Michael Raymond**

The Wall of Mercy was a small beginning for CDM since we started in May and we are seeing fruitful results of the works of Mercy as we reach out to those impacted by the pandemic. A lot of transpired since then, I would like to thank all of the BEC & Ministry leaders who has been working tirelessly to seek out, plan and execute the various projects to help those in need.

I am overwhelmed by the response we have received from CDM parishioners and beyond. With the generous love in kind, we were able to reach out to those beyond our community and extending help to migrants in need. Thank you for all for the donations and contributions in time and effort as we become a spark of hope to those in need. Let us continue to touch lives around us.

### **A) Serving in Mercy Update**

Believing and Living in Mercy truly shone through each and everyone who heeded the call to Serve in Mercy. On the first week alone, we have received funds and dry goods enough to support 46 families & 3 homes that were in need of aid during this FMCO. Your donations are much appreciated during this difficult time.

The Wall of Mercy will continue to be updated periodically and we still seek suggestions and offerings of help in any way. Keep your eyes and heart peeled open; seek out the lost & lonely, and those with little.
