## CDM KAMPUNGKU: JUNE 2022

*Taste and See God's Mercy*

into communion with him. The Eucharist is God's Presence with us. This is part of the practical significance of today's feast. We are not alone in our struggles. Christ is always with us, as he promised: "I am with you always, even to the end of the age" (Mt 28:20). The Eucharist is a visible, sacramental sign by which Jesus' sacrifice on the Cross is remembered and made present for us always, until he comes again. Every time we go to Mass, we encounter in the Eucharist a powerful reminder that we are not alone, Jesus loves us, and he is with us. Whenever we are in the presence of the Blessed Sacrament, at Mass or in a moment of Adoration, we rediscover the living, loving Heart of Jesus, and we are filled with gratitude. The word Eucharist is derived from the Greek *eucharistia*, meaning "thanksgiving." One of the aims of the Eucharistic Sacrifice is to offer thanksgiving for the gift of our redemption. Pope Francis in this week's Spiritual Reflection reminds us to receive the Eucharist in a spirit of thanksgiving. "The feast of Corpus Christi invites us to renew each year the wonder and joy of this wondrous gift of the Lord which is the Eucharist. Let us receive it with gratitude, not in a passive, habitual way. It is now when we find the doors of the Church reopening, we are encouraged and invited to return to the house of God to dwell in the presence and to partake of the Eucharist. It is the most precious given moment to step in communion with the Lord. Let us never lose sight of the Eucharist which is the source and summit of our Christian life."

*How is my spiritual life being fed with the Feasts of Pentecost, Holy Trinity, and Corpus Christi? How do I respond to the challenges of faith that the Lord puts before me? In what ways have I truly encountered Jesus in the presence of the Eucharist?*
