### Catechism of the Catholic Church 1204-1205

The celebration of the liturgy, therefore, should correspond to the genius and culture of the different peoples. In order that the mystery of Christ be "made known to all the nations...to bring about the obedience of faith," it must be proclaimed, celebrated, and lived in all cultures in such a way that they themselves are not abolished by it, but redeemed and fulfilled..."In liturgy, above all the sacraments, there is an immutable part, a part that is divinely instituted and of which the Church is the guardian, and parts that can be changed, which the Church has the power and on occasion also the duty to adapt to the cultures of recently evangelized peoples.

*~Have a blessed celebration~*
