

Dear Families,
pray, allow and
be aware of the
LOVE of GOD,
in the Father,
Son and Holy
Spirit, to lead
and overflow in
our family life.

Jesus gave us these two great commandments, of loving God totally, and of our neighbour and oneself. One leads and overflows to the other. Wherever we may be, in this relationship, giving ourselves sincerely to love will lead us to embrace the other. Continuing to grow in this, will enable us to find wholeness with God, all people and the whole of creation.

This overflowing love, helps us see the effects of loving God, when the second commandment, to love our neighbour becomes easier. **The best way to love God with our whole being, is to love ourselves, because we are all made in love and communion with God.** 1 John 4:10-11 says, "We love because he first loved us". To love ourselves fully and to love our neighbour, we have to continuously seek God and abide in His love. It leads to an intimate and personal relationship with God. Through this intimate relationship, He reveals to us, who we are and leads us to love self and neighbour.

In the the life of the Holy Trinity, we see this love leading to and overflowing from the Father, Son and the Holy Spirit. We experience the creative power of the Father who invites us to RE-CREATE, of the redemption of the Son, who invites us to REDEEM, and of the renewing of the Holy Spirit, who invites us to RE-NEW.

Dear Families, be aware, allow and pray, the LOVE of GOD, in the Father, Son and Holy Spirit, to lead and overflow in our family life. Make efforts to recreate, redeem and renew our ways daily in little ways, in our family life. When we practice this, we will have a better understanding and experience, of the love of the Sacred Heart of Jesus and the Immaculate Heart of Mary. ❖
